

Coral Gables Preparatory Academy PTSA Educational Enhancement Fund

“Soaring to New Heights”

As our school gears up to celebrate its 95th anniversary, the Coral Gables Preparatory Academy PTSA invites local businesses, community stakeholders, former CGPA alumni and citizens of the City Beautiful to invest in the future of this historical A-rated school and the recipient of the Merrick Legacy award. **We hope you will consider supporting Coral Gables Preparatory Academy -- your local, public K-8 community school – by becoming an Educational Enhancement Fund sponsor.** Our theme this year is “Soaring to New Heights”, and, with your generous support, our students can soar higher than they have ever done before.

CGPA, formerly Coral Gables Elementary School, is dedicated to nurturing each student's growth and pursuit of excellence in our dynamic, multicultural world. CGPA is home to nearly 1,000 elementary and middle school students. Every dollar donated to sponsor the Educational Enhancement Fund will support the CGPA PTSA in providing new and exciting programs and incentives to enrich the education of all our students. We have several sponsorship tiers for you to choose from, and all sponsors will be recognized year-round on our website and on designated signage at our major fundraising events.

We thank you in advance for your consideration and generosity.
